

REGIONAL 2011 AWQ COMPETITION SLIDE SHOW

A RECENT LETTER FROM A TEACHER

Dear Joe:

I wanted to thank you for another incredible competition. My students had such a wonderful time at the competition and, as always, we were overwhelmed by the generosity of The World Affairs Council of the Mid-Hudson Valley and its sponsors. The competition is a wonderful way to engage my students in meaningful current global issues. The information they learn from studying for the competition helps them in all their coursework and prepares them to be more thoughtful world citizens. The questions were particularly outstanding this year. I was also thrilled with the outpouring of parental support.

Bravo to everyone involved. Please send my sincere gratitude to all those who played a role.

Yours truly,

Sarah
